

## **City of Bennington October 2024 Newsletter**

Hope this finds everyone enjoying fall! There was no newsletter in September, for lack of things to put in it. There are several things below that could be helpful for someone!

Compliance is going to begin writing residents violations for untagged and inoperable vehicles.

If you have old vehicles that are not tagged and running, and you are interested in getting rid of them at no cost to you, The fire department is willing to pick up these old cars and will use them for training purposes. The only requirement is you must sign a title over to the department so they can dispose of them after training. Ottawa county rural fire district 4 is having an open house on October 19<sup>th</sup> from 1:00 to 3:00 p.m at the fire house. Fire chief Brian Breese will be available to discuss any questions you have. This would be a great time to see the building that is totally paid for and perhaps donate an old car if you have one to help the department out with important training.

We have had many residents asking for names of handymen in the City of Bennington willing to do many different jobs around the house that they just cannot do anymore. I have received one and will share it here for you to see.

**Dstar Handyman Bennington Kansas. Contact Derek at 316-308-3613**

**Offer Senior Discounts and Free onsite estimates.**

**Some services provided are:**

**Sprinkler repair/Install, fall blowouts at \$25.00 a zone.**

**Fence repair and install, Deck installation and repair, hardwood flooring repair and install, water features, house repair, hang doors, sinks, toilets, showers, sliding glass doors, barn doors, garbage disposal, gutters, windows, some framing, garage doors and siding. There is much more, please feel free to call and ask.**

**Dump Days will be October 5<sup>th</sup> through the 13<sup>th</sup>. Dump will be open 8 am to 6 pm every day. No tires or rims allowed, no appliances with freon. Please insure your items go inside the dumpster, not beside or around them. There will be dumpsters for wood, metal and household trash. These dumpsters are only for the residents living in the city limits, anyone from outside the city limits must take their items to the Ottawa county landfill.**
